RE: Pathways-To-Point 2016 New Freshman Registration Information

Advisors,

Please note that Pathways-To-Point is listed in the fall timetable as First Year Seminar-Wilderness Leadership Orientation sections 9 & 10. Students will actually be signing up for the fall course that follows their summer trip.

I will electronically authorize registered Pathways-To-Point students as she receives their application for the trips. So they should be able to add this course to their regular registration schedule during their orientation.

However, new Pathways-To-Point registrants who sign-up during their orientation will need to contact me at that time to secure authorization. Only freshman registered to attend a summer 2016 Pathways-To-Point backpacking or canoe trip will be authorized for this course.

It is up to the student to inform you that they plan to take the course for credit.

Thank you for all you do for our adventurous Pathways-To-Point students.

FIRST YEAR SEMINAR 101 FIRST YEAR SEMINAR (GEP:FYS)

Sec 9 Subtitle: WLDRNSS LDRSHP ORNTN

3.0 LAB 2 9:00-10:50 R HEC 154 Johnson, Johnny
