Majors by Interest Area

Pre-Professional Programs
- Pre-Chiropractic
- Pre-Dentistry
- Pre-Engineering
- Pre-Law
- Pre-Medicine
- Pre-Mortuary
- Pre-Optometry
- Pre-Pharmacy
- Pre-Physician Assistant
- Pre-Veterinary Science

Children and Youth
- Communication Sciences and Disorders
- Dietetics
- Education
- Family and Consumer Sciences
- Health Science and Wellness
- Physical Education
- Psychology
- Resource Management
- Social Work
- Sociology

Humanities
- English
- German
- History
- History and Social Science
- Education
- International Studies
- Philosophy
- Spanish

Human Behavior
- Communication
- Communication Sciences and Disorders
- Conservation Law Enforcement
- Dietetics
- Education
- Family and Consumer Sciences
- Health Science and Wellness
- History
- International Studies
- Media Studies
- Political Science
- Psychology
- Philosophy
- Resource Management
- Social Work
- Sociology
- Sustainable Food and Nutrition
- Web Development

Arts
- Art
- Arts Management
- Communication
- Dance
- Graphic Design
- Interior Architecture
- Media Studies
- Music
- Theatre Arts
- Web Development

Diversity
- Business Administration
- Education
- German
- History
- International Studies
- Philosophy
- Political Science
- Psychology
- Sociology
- Social Work
- Spanish

Environment
- Community Sustainability
- Conservation Law Enforcement
- Fisheries and Water Resources
- Forestry
- Geospatial Sciences
- Paper Science and Engineering
- Philosophy: Env. Ethics
- Resource Management
- Soil and Waste Resources
- Sustainable Food and Nutrition
- Wildlife Ecology and Management

Health and Wellness
- Clinical Laboratory Science
- Communication Sciences and Disorders
- Dietetics
- Family and Consumer Sciences
- Health Science and Wellness
- Physical Education
- Pre-Nursing
- Sustainable Food and Nutrition

Business, Management, and Analysis
- Accounting
- Arts Management
- Business Administration
- Business Economics
- Computer Information Systems
- Communication
- Data Analytics
- Family and Consumer Sciences
- Finance
- Health Science
- Management
- Marketing
- Mathematics
- Media Studies
- Organizational Leadership
- Political Science
- Resource Management
- Web Development

Natural Science
- Biochemistry
- Biology
- Chemical Engineering
- Chemistry
- Community Sustainability
- Fisheries and Water Resources
- Forestry
- Geospatial Sciences
- Natural Science for Science Teaching
- Paper Science and Engineering
- Physics
- Resource Management
- Soil and Waste Resources
- Wildlife Ecology and Management

For a complete listing of all UW-Stevens Point majors, minors and certificates, see the Academic Programs tab at catalog.uwsp.edu.

Updated August 2022
Minors/Certificates by Interest Area

When considering a minor (m) or certificate (c), contact your adviser for more information on course requirements. Many minors and certificates require courses or admission to major/degree programs not specifically listed as prerequisites.

Arts
- Art History (m)
- Art (m)
- Arts Management (m)
- Choral Music Teaching (c)
- Creative Writing (m)
- Dance (m)
- Drama, Theatre Arts (m)
- Instrumental Music Performance (c)
- Instrumental Music Repair (c)
- Instrumental Music Teaching (c)
- Jazz Studies (m)
- Media Studies (m)
- Museum Studies (m)
- Music (m)
- Web Development (m)

Business, Management, and Analysis
- Accounting (m)
- Applied Mathematics (m)
- Arts Management (m)
- Business Administration (m)
- Computer Information Systems (m)
- Credit Analysis (c)
- Data Analytics (m)
- Economics (m)
- Financial Literacy (c)
- International Business (c)
- Mathematics (m)
- Media Studies (m)
- Professional Communication (m)
- Professional Writing (m)
- Resource Management (m)
- Web Development (m)

Diversity
- Basic Second Lang. Proficiency (c)
- Bilingual-Bicultural Education (c)
- Environmental Justice (c)
- German (m)
- International Relations (c)
- International Studies (m)
- Native American & Indigenous Studies (c)
- Peace Studies (m)
- Race and Ethnicity (m)
- Religious Studies (m)
- Spanish (m)
- Women’s and Gender Studies (m)

Environment
- Aquaculture/Fish Culture (m)
- Biofuels Engineering (m)
- Captive Wildlife (m)
- Conservation Biology (m)
- Conservation Law Enforcement (m)
- Energy Policy (c)
- Environmental Communication (m)
- Environmental Ed/Interpretation (m/c)
- Environmental Ethics (c)
- Environmental Geography (m)
- Environmental Justice (c)
- Environmental Science (c)
- Environmental Studies (m)
- Fire Science (c)
- Forest Ecology and Health (m/c)
- Forest Management (m)
- International Resource Management (m)
- Invasive Species Management (c)
- Forest Recreation (m)

Health and Wellness
- Biomedical Writing (m)
- Family Adversity and Adaptation (c)
- Health Education (m)
- Health Science Education (c)
- Neuroscience and Behavior (m)
- Psychology (m)
- Social Science in Health (m)
- Substance Use & Addiction Studies (m)

Human Behavior
- American Studies (m)
- Bilingual-Bicultural Education (c)
- Child, Youth & Family Studies (m)
- Conservation Law Enforcement (m)
- Criminal Justice (m)
- Family Adversity and Adaptation (c)
- International Relations (c)
- Mentoring (c)
- Military Science (m)
- Native American & Indigenous Studies (c)
- Neuroscience and Behavior (m)
- Professional Communication (m)
- Psychology (m)
- Race and Ethnicity (m)
- Religious Studies (m)
- Sociology (m)
- Substance Use & Addiction Studies (m)
- Women’s and Gender Studies (m)

Humanities
- Art History (m)
- Basic Second Lang. Proficiency (c)
- Biomedical Writing (m)
- Creative Writing (m)
- English as a Second Language Minor (c)
- Environmental Ethics (c)
- Environmental Justice (c)
- German (m)
- History (m)
- Language Study Interdisciplinary (c)
- Medieval and Renaissance Studies Interdisciplinary (c)
- Museum Studies (m)
- Peace Studies (m)
- Philosophy (m)
- Political Science (m)
- Professional Writing (m)
- Public Administration and Policy Analysis (m)
- Race and Ethnicity (m)
- Religious Studies (m)
- Social Studies (m)
- Spanish (m)
- World Languages Communicative Proficiency (c)

Interdisciplinary
- Environmental Ethics (c)
- Environmental Justice (c)
- Environmental Studies (m)
- International Studies (m)
- Language Study Interdisciplinary (c)
- Peace Studies (m)
- Race and Ethnicity (m)
- Social Studies (m)
- Women’s and Gender Studies (m)
- Youth Programming (m)

Natural Science
(See also “Environment”)
- Astronomy (m)
- Biology (m/c)
- Brewing Science (c)
- Chemistry (m/c)
- Earth Science (m)
- Earth and Space Science (c)
- Natural Science Broad-Field (m)
- Physics (m)
- Urban Planning and Geodesign (m)
