

# Academic and Career Advising Center

## Career Chats Series

The Career Chats Series presents the content of traditional career presentations in a live, interactive way. Join the Academic and Career Advising Center staff for helpful information on the career topics outlined below, with engaging activities and Q&A! Events will be hosted either virtually or in-person. All event information is posted on [Handshake](#) for students to view and pre-register.

### Resumes

Learn how to create and maintain your resume in preparation for Career Fairs, job and internship searching, and more!

### Networking

Learn how to network in virtual and in-person settings and how to leverage your social media to make a truly memorable impression!

### Interviewing

Get tips on what to expect, how to prepare, and how to make the most of in-person and virtual interviews!

### Graduate School Prep

Thinking about continuing your education? Come learn about searching and applying for graduate or professional programs!

### Job Search Strategies

Learn effective and efficient ways to use job search resources and networking strategies!
