LAST DAY TO W-DROP CLASSES THIS WEEK - NOV 7

The last day students can W-drop full semester classes is **this week**

Friday, November 7

What is a W-drop?

A class that is W-dropped remains on the student's transcript with the grade of a "W". "W" grades do not have any impact on GPA, and can be a wise choice if passing a class is not possible.

Contact your adviser if you are thinking about W-dropping a class so you are aware of any impacts on time to degree.
