October 6 - October 10, 2025 | UW-STEVENSON POINT

SPRING 2026 ADVISING AND REGISTRATION

Schedule Builder, Shopping Carts, and your Registration Date are now available in accesSPoint!

All students are **required** to meet with their adviser in order to register for Spring 2026. You will be sent an email from your Academic Adviser that will provide an invite to set up your appointment.

- When signing up for your appointment, make sure you select a day and time **PRIOR** to your assigned registration day and time.
- To find out when your registration day and time is, log in to accesSPoint, select the “My Classes” tile, then select “Registration Dates”, and choose “Spring 2026”.

If you are a new student, make sure you have completed the following as applicable:

-  • Review Pointer’s Launch modules 2 and 3 to learn how to prepare for your Spring 2026 advising appointment, and how to register.
-  • If you earned any credit through **AP or IB exams**, and you have not done so, send in an office copy of your AP scores or IB scores to the UWSP Admissions Office.
-  • If you earned **any transfer credit, including dual-credit** courses in high school, make sure you have sent your official COLLEGE transcript to the UWSP Admissions Office.

REMINDER: MATH PLACEMENT EXAM OPPORTUNITIES

Having a math placement can be critical to completing your degree on time! Be sure you have your math placement score before you meet with your adviser for Spring 2026 advising.

Mid-term testing options:

FRI, SEPT. 26

12:00 P.M. | SCI A113

TUES, OCT. 14

6:00 P.M. | SCI A113

FRI, OCT. 17

2:00 P.M. | SCI A113

Please email Amy Quisenberry Faustine, aquisenb@uwsp.edu, to register for the test. A picture ID is required to take the exam and non-graphing calculators are allowed.

STUDY SMARTER, NOT HARDER: PROVEN COLLEGE STUDY STRATEGIES

OCTOBER 8

11:00 AM - 11:50 AM in CCC 320

Learn research-backed study strategies and understand the importance of metacognition and growth mindset in your academic journey.

TWO AMAZING RESOURCES!

MAJORS MAPS AND THE CAREER PLANNING GUIDE

Completing your classes is only a portion of the preparation needed to successfully prepare for future employment. Check out these two great resources to learn about how you can prepare both inside and outside the classroom to be the most competitive career candidate!

Major Maps help students map their first day to the first job in their chosen field. While a four-year plan outlines classes to get a degree, Major Maps help students learn **how to build career-ready skills and experiences** outside the classroom.

Whether you're just getting starting on your career journey or you're getting ready to graduate, the Career Planning Guide can provide you with the information and resources you need to **take your career journey to the next level.**
