

# UW - Stevens Point | Academic and Career Advising Center

## Big Interview Quick Start

As you are preparing for your interviews, there is no better tool than actually practicing how to answer questions. Big Interview is your chance to get experience interviewing. After viewing recorded interview questions, users can record their responses and determine what areas they need to improve. Questions can be selected randomly, as part of a set, or as part of an assignment.

### Here's how you can get started:

You will need to go to the UWSP specific website to login or register for Big Interview. You can find this link on our website or by going to the website below:

The easiest way to get started is by watching the introductory videos on the home page. These will walk you through how to navigate the website and start recording!

Learn Practice My Videos My Resume Assignments

Once you know the basics, start exploring and improving your interview skills!

**Learn:** View an online curriculum that will help you improve faster. They provide both written and video option to learn more about how to be successful in your job search.

**Practice:** Here you can begin answering questions and explore a variety of question formats.

**My Tools:** Write out your answers and find technical help from the staff of Big Interview.

**My Videos:** Find your saved videos, add notes, and even share with a Career Coach on campus.

**Assignments:** Begin working on a question set designed by faculty for a specific course.
