

## FOLLOW-UP STUDY OF 2019 GRADUATES

This document presents self-reported data provided on the first destination employment or continued education of UWSP graduates from the undergraduate classes of: Fall 2018, Winterim 2019, Spring 2019, Summer 2019. Surveys were open until December 2019, with the final report compiled/released in January 2020. Data was collected via the Handshake, Inc. First Destination Survey (FDS).

Academic and Career Advising Center staff made numerous attempts to collect survey information from each graduate through outreach methods such as in-person appointments, emails, telephone calls, and through information provided by faculty, staff, and employers. 837 responses were received from 1,947 graduates who were surveyed from the fall 2018, winterim 2019, spring 2019, and summer 2019 graduation cycles. The salary mean (average) for this graduation cycle is \$38,855.93.

### **STATISTICAL REPORT (Categories & Explanations)**

Collected information within the report is based on self-reported data as well as major listings pulled from the University's Student Information System (SIS).

**Primary Major** – As is imported from the university Student Information System's major listing within a graduating student's record.

**# Reported** – Represents the number of self-reported graduates who responded to the survey within each college's (Fine Arts and Communication; Letters and Science; Natural Resources, Professional Studies) major grouping.

**Outcome** – A graduate's self-reported outcome (Continuing Education, Employment, Volunteering, Still Seeking Employment or Continuing Education) following graduation.

**Name of Employer or Institution** – The name of a graduate's employer or educational institution, if continuing their education.

**Employment or Program Type** – The type of type of employment or educational program.

**Job or Program Title** – The title of a graduate's job-position or educational program.

**City, State, Country** – The location of the graduate's employer or educational program.

**Salary** – Each major listing includes number of reported salaries, salary mean (average), lowest reported salary, and highest reported salary.

**Questions / Comments:** Contact the Academic and Career Advising Center via email ([acac@uwsp.edu](mailto:acac@uwsp.edu)) or by telephone (715)346-3226. The primary duty of Academic and Career Advising Center personnel is to provide academic and career advising to UWSP students and to collaborate with faculty and staff to offer quality, student support and academic experiences. Every effort will be made to respond to questions relating to the FDS, however, academic and career advising support for students must take priority and so responses to questions may take longer than expected. *Disclaimer:* The data presented within this report is but one source of data and should not be utilized as a sole resource for choosing an academic major or making career decisions.

The following salary survey data is listed by major and broken out by UWSP colleges in order of COFAC, CNR, COLS, and CPS.

**College of Fine Arts and Communication (COFAC)**
