¹ UW Extended Campus collaborative programs are not included in this list but are included in the *Course Catalog*. (See: <https://catalog.uwsp.edu/content.php?catoid=36&navoid=2034>). Additionally, the following associate degree programs are not listed here (as they are evaluated through the Assessment Subcommittee).

Associate degree programs are only offered at the branch locations and these include the following current programs:

- General (Arts & Sciences/Liberal Arts) (A.A.S.)
- Human Services (A.S.)
- Leadership and Project Management (A.S.)
- Pre-Engineering (A.S.)

² UW System program names are shown in **bold font**. When a program has an option/emphasis/concentration, these are shown in normal font. For a list of all UW System-named UWSP programs and degree types, see here: <https://www.wisconsin.edu/opar-frontier/uws-academic-majors/>

³ There is not a separate UW System-recognized “Jazz Studies, B.M.” Students pursuing Jazz Studies at UWSP are reported in The CDR under “Music Performance.” This must be corrected in the *Course Catalog*.
