Add Course

To add a break, fill in the dates and times you do not wish to take classes and click 'Add Break'

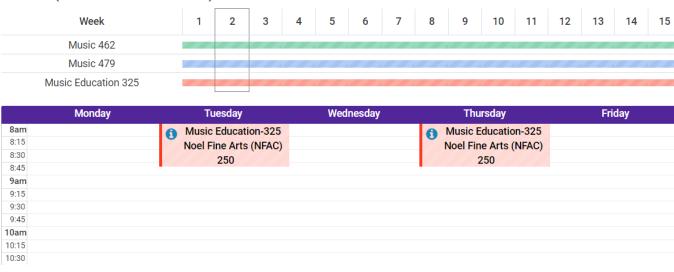

To select specific sections of courses, and view additional section details, click the 'Options' button

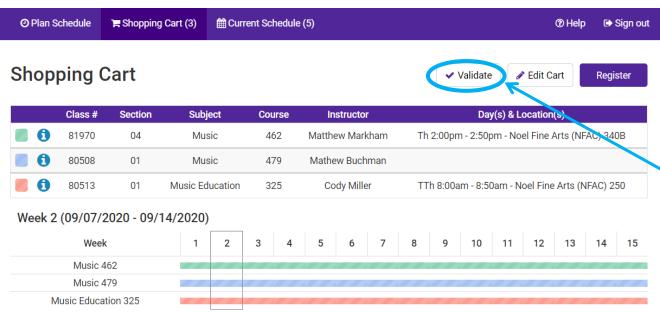

Once all courses are added and any breaks have been created, click the 'Generate Schedules' button

This will show you all possible combinations of the classes that you chose! Click 'View' to see a schedule in greater detail

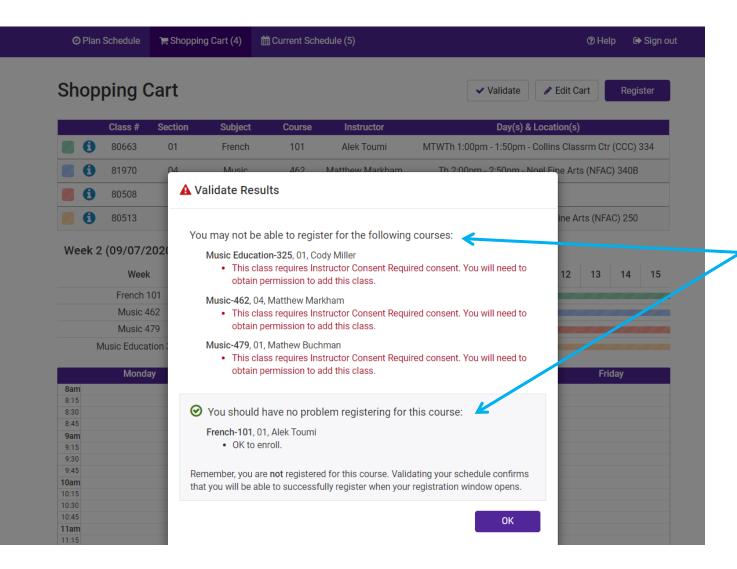

Once you open a possible course schedule, you will see the course and sections listed as well as a calendar view.

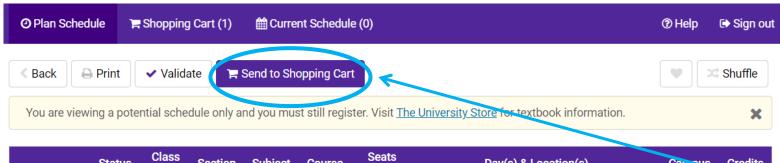

Week 2 (09/07/2020 - 09/14/2020)

Once you have selected a course schedule that you like, click the 'Validate' button

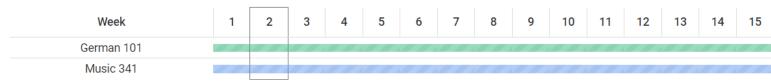

The results will show you if there may be problems registering for the courses you have chosen.
