- Important Rate Information** The Public Service Commission of Wisconsin approved a change to the Fuel Cost Adjustment (FCA) effective Jan. 1, 2017. Your bill reflects a FCA credit of \$.00262 per on-peak kWh and a credit of \$.00205 per off-peak kWh. The FCA credit is prorated based on the number of days in the billing period the credit was in effect, and whether you participated in the Energy for Tomorrow program.
- Save Money** Your next energy bill may be higher than recent bills. Colder weather and entertaining over the holidays causes higher energy use. Also, your billing period may be longer over the holidays resulting in a higher bill. Looking for energy saving ideas? Go to we-energies.com.
