

A photograph of a white water lily flower in full bloom, centered in the upper half of the frame. The flower is reflected in the dark water below it. The background is a blurred forest of green trees under a bright sky. The overall mood is serene and natural.

Our Legacy of Lakes

2009

Wisconsin Lake Stewardship Awards

A photograph of a white water lily flower in full bloom, centered in the upper half of the frame. The flower is reflected in the dark water below it. The background is a blurred forest of green trees under a bright sky. The lower half of the image is a solid black rectangle containing white text.

Presented by the
Wisconsin Lakes Partnership
UW-Extension Lakes Program
Wisconsin Association of Lakes
Wisconsin Department of Natural Resources

University Lake School Students

A special thank you!

To all the people who work tirelessly in so many ways to protect and enhance Wisconsin's legacy of lakes.

Many are never formally recognized for their contributions, but they all certainly deserve our thanks.

An important reminder

Please nominate deserving individuals, groups, and businesses for the Wisconsin Lake Stewardship Awards each year.

Find nomination information online:
