

2010 Wisconsin Lakes Convention

Educational Displays Guide

Please take an opportunity to visit the many water-related educational displays on hand at the Lakes Convention. Representatives from conservation organizations, volunteer groups, universities, state and local agencies are here to offer you resources and ideas on many topics, including:

Aquatic Invasive Species Programs in WI

Chrystal Campbell: 608-266-0061
Julia Solomon: 608-267-3531
