

A photograph of a white water lily flower in full bloom, floating on a pond. The flower is perfectly reflected in the dark water below it. The background is a soft-focus view of a forest with tall trees and a white bird perched on a branch in the distance.

2012
Wisconsin Lake
Stewardship Awards

A photograph of a white water lily flower in full bloom, floating on a pond. The flower is perfectly reflected in the dark, still water below it. The background is a soft-focus view of a forest with tall trees under a bright sky.

Presented by the

*2012 Youth Category Winner
Reel 'Em In Club*

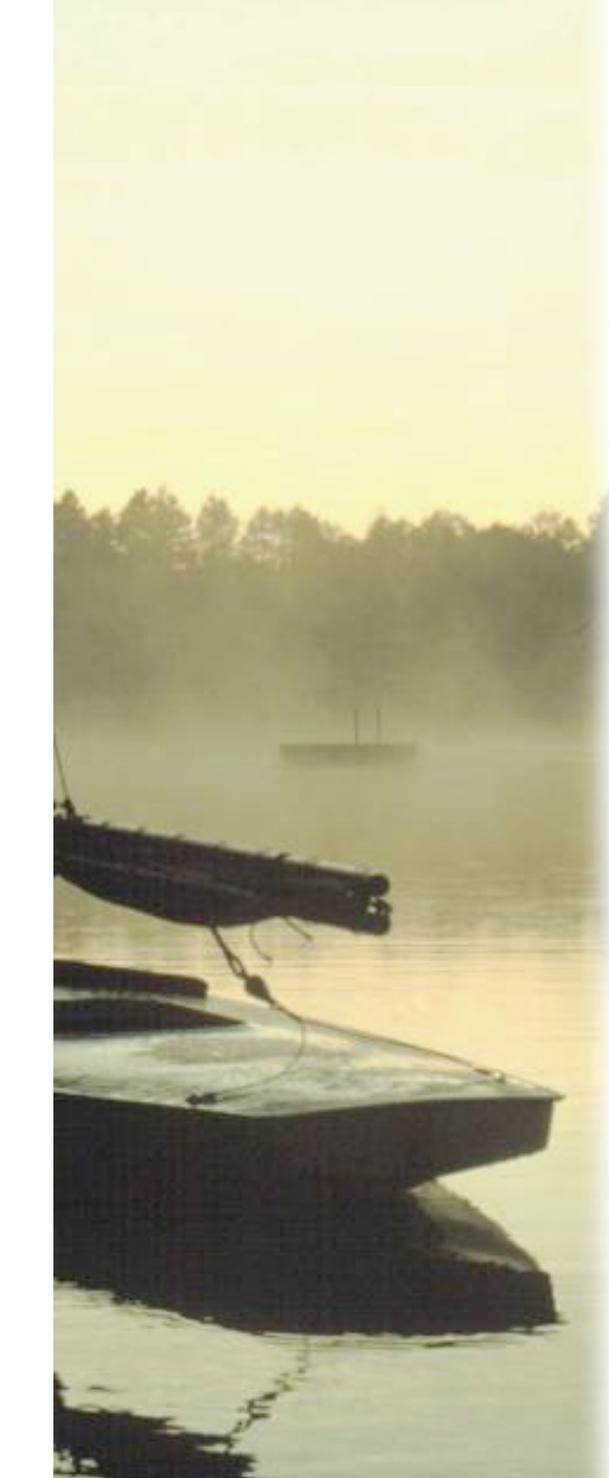

*Thanks to all the people who work in so many ways
to protect Wisconsin's legacy of lakes.*

*Many are never formally recognized for their
contributions, but they all certainly deserve
our thanks.*
