

## Restoration

It makes sense that this year's Lakes Convention includes a restoration theme, as we are overlapping with the annual meeting of the Society for Ecological Restoration Midwest-Great Lakes Chapter. This theme includes opportunities to learn about a wide range of restoration projects in lakes, along rivers, and throughout the entire watershed.

Thursday, April 19, 2018

8:00-8:50am

### **Improving lake Water Quality with Alum: The Wisconsin Experience**

*Presenters: Paul Garrison, Research Scientist, Onterra, LLC.; Tim Hoyman, Aquatic Ecologist, Onterra, LLC.*

11:00am-12:00pm
