## Making a Difference Networking Inquiring Minds Public Policy Lake Science

Do these words pull on some thoughts that you've been mulling over lately? We would like to help you turn those thoughts into reality through the Wisconsin Lake Leaders Institute! Consider joining over 250 graduates by nominating yourself or a friend to participate in the next "crew." Recruitment begins now for our 2014 course, which is comprised of three 2-day sessions:

[May 21-22, 2014 Green Lake, WI](#)

[September 18-19, 2014 Woodruff, WI](#)

[October 16-17, 2014 Baraboo, WI](#)

### Costs

#### **Your time commitment**

*Each session builds on the previous session and participants are asked to commit to attending all three in order to successfully complete the Institute.*

**\$350** (which includes meals, lodging, and education materials) *The Wisconsin Department of Natural Resources and past crewmembers are committed to the Lake Leaders Institute and are able to cover 50% of the cost for you! Recruits for 2014 (Crew 10) are asked to raise the other half (only \$350) – contact your local lake organization for support.*

### Get Involved

You may nominate yourself or someone you know by sending us the nominee's name and contact information along with a statement of why you feel you/they should be a Lake Leader.
