Bill Cook Chapter of the Izaak Walton League
Stevens Point, WI

Introduction to Shooting Sports

EVENT DESCRIPTION

Join us for a safe and fun course that will introduce you to recreational shooting with a variety of firearms and archery equipment.

Participants will learn hands-on firearm safety handling and principles from certified, patient instructors. After you become familiar with the different guns and bows available to shoot during the course, you will head out to the shooting ranges for one-on-one lessons using rifles, shotguns, and modern archery equipment. There will also be an opportunity to shoot handguns for those who would like to.

No experience is necessary and all the equipment - bows, arrows, firearms, ammunition, ear and eye protection - will be provided. This workshop is designed for beginners but also appropriate for anyone who wants to brush up on their shooting skills, or try a gun or bow that they have not had the opportunity to shoot before.

This is an excellent opportunity to learn to shoot in a safe environment with the support of other women

The workshop will be held at the Bill Cook Chapter of the Izaak Walton League property and Conservation Center located just east of Stevens Point. The grounds consist of 147 acres of managed forest with the scenic Plover River passing through it. The large Conservation Center offers meeting space, stone fireplaces and modern restrooms.

HOW TO REGISTER

The registration fee is \$225 and includes lunch. There are just 15 spots available in this one-of-a-kind BOW-signature program designed specifically for women. **See page two for registration information and the event schedule.**

**College of Natural Resources
University of Wisconsin-Stevens Point**

Becoming an Outdoors-Woman workshops focus on learning outdoor skills. Workshop activities are balanced between hunting and shooting, fishing and boating, and non-consumptive activities like camping and canoeing. Workshops are designed primarily for women and are learning opportunities for anyone 18 years and older. Our participants range in age from 18-80+. BOW is a non-profit, outreach education program at UWSP and supported by the WI DNR.
