

Dutch Oven Cooking Outdoors

Sandhill Wildlife Area - Babcock, WI

August 27-28, 2022

You can roast, bake, stew, steam, and simmer over coals with just one tool - the humble Dutch oven. Learn how to cook in and care for a Dutch oven in this hands-on class. BOW Director Peggy Farrell and Natural Resources Educator Jennifer Ashburn will team up to guide participants through preparing a whole meal made from fresh local ingredients.

Our Menu:

Roasted Root Vegetables
Mushroom Pasta
Soup of the Day
Pheasant Curry
Fish of the Day
Apple Crisp
Chocolate Zucchini Brownies
Fresh Salad
Homemade Bread

The workshop begins at 4 pm on Saturday with a guided hike followed by dinner and an introduction to Dutch ovens. Sunday is cooking day! Participants will work in teams of two to make one of the recipes. Lunch is at noon with a sit-down shared feast of the items prepared. All equipment and ingredients are provided.

HOW TO REGISTER:

There are just 16 spots available in this one-of-a-kind BOW-signature program designed specifically for women. Join us for food, instruction, recipes and resources, camaraderie, door prizes, surprises, and fun!

Register with our secure one-click online service

\$199 REGISTRATION FEE INCLUDES:

- Saturday night dinner, Sunday breakfast and lunch
- Saturday night lodging at Sandhill Education Center
- A guided hike to explore Sandhill
- All equipment and instruction to learn Dutch oven cooking

WORKSHOP LOCATION:

The 9,150-acre Sandhill State Wildlife Area was named for the series of gently rolling sandy ridges crisscrossing the property. Sandhill lies within the bed of ancient Glacial Lake Wisconsin - an expansive region of flat, marshy land interspersed with forests covering parts of seven counties in central Wisconsin. The property features low, sandy uplands of oak, aspen and jack pine forests, large marshes and many flowages. A small herd of American bison, white-tailed deer, ruffed grouse, Canada geese, ducks, loons, bald eagles, sandhill cranes, shorebirds, songbirds, hawks, owls and furbearers find a great home at Sandhill. You will find the land is a quiet oasis.

The property headquarters and visitor's entrance is approximately 25 miles south of Marshfield and 17 miles west of Wisconsin Rapids. The headquarters address is 1715 County Highway X, Babcock, WI 54413. Sandhill is just one of many state wildlife areas located throughout Wisconsin owned and managed by the Department of Natural Resources.

College of Natural Resources
University of Wisconsin-Stevens Point

Becoming an Outdoors-Woman workshops focus on learning outdoor skills. Workshop activities are balanced between hunting and shooting, fishing and boating, and non-consumptive activities like camping and canoeing. Workshops are designed primarily for women and are learning opportunities for anyone 18 years and older. Our participants range in age from 18-80+. BOW is a non-profit, outreach education program at UWSP and supported by the WI DNR.
