

Forestry Education in the Wisconsin K-12 Classroom Workshop

New Format

Get the convenience of online learning with the benefit of an interactive day spent with peers. LEAF's hybrid workshop teaches you key forestry principles, demonstrates teaching techniques, and gives you great activities so you can easily integrate forestry education into your indoor or outdoor classroom. Our excellent instructors tailor each workshop to meet the needs of participants. You will receive a grade-specific unit of our highly-regarded LEAF Wisconsin K-12 Forestry Lesson Guide and additional materials.
