

LAND USE AGREEMENT

Designating Village of Fremont Nature Area as School Forest(s)

This is to certify that the School District of Weyauwega/Fremont hereinafter called the "Permittee",
(school district)

is hereby authorized by the Village of Fremont to enter upon and
(local governmental agency)

use the Village of Fremont Nature Area as "School Forest(s)" in a manner consistent with the
(name of property)

school/community forest provisions, Chapter 28.20-23, Wisconsin Statutes, under which said lands are entered.

As a part of this Land Use Agreement, the Permittee agrees to the following terms and conditions:

1. Permittee will use the lands as a School Forest in conjunction with a planned curriculum related to natural sciences or conservation management.
2. Permittee will have a forest management plan for the lands prepared by the Wisconsin Department of Natural Resources that will continue the process of establishing a high quality educational forest.
3. Permittee will help facilitate efforts to involve students and community volunteers in the implementation of the forest management plan for the aforementioned land(s).
4. Permittee will maintain the area subject to this Land Use Agreement in a safe and suitable condition for public use.
5. Permittee will provide an annual report to the Unit of Government that owns this property at the completion of each school year briefly summarizing the educational and volunteer activities undertaken and the number of students using the area.
6. This Land Use Agreement does not abrogate in any manner the right of the public to use this land.

This Agreement will become effective during 2010-2011 and shall remain in effect as long as in
(school year)

the opinion of the School and Government entity that engaged in this Land Use Agreement, both parties feel the land is being used in conformance with the above terms and conditions.
