

FUNDED

INTERNSHIP OPPORTUNITY

ENVIRONMENTAL EDUCATION

- June 3 - August 9, 2024 — Flexible start & end dates •
- Eagle River, Wisconsin •

Nuture Your Love For Nature

Trees For Tomorrow (TFT) offers a funded summer internship to an individual interested in working as an educator, assisting staff with environmental programming efforts. **TFT provides our intern with a \$3,000 scholarship upon successful completion of their internship.**

Applications due April 15th

To apply for a funded internship, fill out the online application at treesfortomorrow.com/Jobs/Internships/ and upload cover letter, resumé and a minimum of 2 letters of reference. Questions can be directed to the program coordinator, Bethany Heft at beth@treesfortomorrow.com or extension 224.

What's Provided

- **\$3,000 Scholarship** awarded after successful completion of internship and project
- **On-site dorm-style living** provided with meals available during applicable programs
- **Walking distance to downtown** Eagle River, Wisconsin
- **Countless recreational opportunities** within driving distance (there are 1,300 lakes in Vilas County alone)
- **Staff willing to work with you** to gain internship credits through your school
- **One-on-one training** and professional development

Experience Gained

- Hands-on teaching skills and techniques
- Public speaking skills
- Ability to manage large groups
- Implementation of environmental education programs with groups of all ages
- Experience caring and managing live educator animals
- PLUS Make new friends and lifelong memories while living in the beautiful Northwoods for the summer
