

Schmeeckle Reserve Endowment

The Schmeeckle Reserve Endowment Fund was created in April 2016 to support the preservation, education, and recreation priorities of UW-Stevens Point's natural area. Interest earned from the endowment helps ensure the long-term sustainability of Schmeeckle and assist in efforts to acquire more green space, build new trails and boardwalks, and restore natural communities.

Charter Donors

Individuals who donated prior to October 2016 are recognized as Charter Donors of the fund.
