

Natural Resources & the Sciences:

Job and Career Exploration Fair—Employer List

In-person: Tuesday, February 15, 2022 from 10 a.m. to 2:30 p.m.
in the DUC Laird Room

4 Control

- 4 Control is an intense and exciting company looking for interns to join our team working in the great outdoors doing a wide variety of Natural Resource projects. Our applicators are hard- working, smart, and are looking for interns to train in various levels of application from Forestry to Right of Ways. The intern hired for 4 Control would train and participate in work for Power Companies, Government Agencies, and private landowners maintaining their properties through use of herbicides. 4 Control is highly regarded in the industry of herbaceous control of invasive plants out of place our projects include power line vegetation control, invasive species control in National Forests, Flood Control projects with the Lock and Dams on the Mississippi River and roadside invasive species control. This internship/summer job will connect you with a variety of agencies and will be a great addition to your resume.

AgSource/VAS

- VAS/AgSource is looking for interns or other students that are interested in working outside. We have summer crop scout positions open for the 2022 season in the Antigo area. This position works with farms in Northcentral Wisconsin to help farmers make good decisions for their crops. As a crop scout you will get to spend your summer outside, have weekends off, and help farms at the same time.

Allied Cooperative

- "Allied Cooperative has a long and proud history of serving farmers in West Central Wisconsin. With roots that date back to 1918, our co-op was formed when a group of farmers joined together in order to gain greater purchasing power and maximize potential for success in their farming operations. Allied Cooperative has operations in Adams, Arcadia, Blair, Galesville, Mauston, Mindoro, Plainfield, Plover, Tomah, West Salem and Wisconsin Rapids. We provide a wide variety of products and services including agronomy, grain, LP and refined fuels, auto parts, hardware, tires and convenience stores.
- Allied Cooperative is a great place to work, and it's a great place to do business. Let us show you the Allied difference! "

American Tree Experts

- American Tree Experts is a family owned full service professional tree care provider that has been servicing residential and commercial property owners in southeastern Wisconsin since 1950.

Bartlett Tree Experts

- "When you choose a career with Bartlett Tree Experts, you become a member of our family of employees throughout the United States, Canada, Great Britain, and Ireland. Bartlett is a company built on pride and family values that goes back to 1907. We are proud of our scientific knowledge of tree care, the quality of our work, the level of service, our award-winning safety record and, most of all, our people.
- As we continually move forward in our pursuit of new advances and scientific breakthroughs, as well as maintain our industry leadership of quality and integrity, we will need additional dedicated and talented people. "

Buckley "The Tree Care Specialists"

- Buckley "The Tree Care Specialists" is a full service tree care company in the Milwaukee (Wisconsin) area. We specialize in Plant Health Care tree maintenance on primarily residential properties.
