Friday, October 7th

is Plaidurday!

Happy Plaidurday!
Have a little fun and wear your favorite plaid this Friday!
Learn the salty facts!

All the salt applied to sidewalks and roads enters freshwater where it pollutes drinking water and stresses freshwater organisms.

Guest speaker Allison Madison from WI Salt Wise will outline what’s being done in WI and support students to catalyze salt reduction work locally.

Tuesday, Oct. 11
5-6pm CAC 333

AWRA Guest Speaker

Allison Madison from WI Salt Wise is coming to our campus to talk about the impacts road salt has on our freshwater, drinking water, and more. This event is hosted by the American Water Resources Association, the Office of Sustainability, and the Student Government Association. Come join us on October 11th at 5pm in CAC 333. We hope to see you there!
