Plus: Coloring materials!!

**BYOM: Bring your
own mug!**

Wednesday November 6th

12:00pm-2:30pm

TNR West Lobby

**Near TNR 170*

Foundation Forestry Skills Assessment

Please accept the course invitation to the Fall 2024, Foundational Forestry Skills Assessment and register for a Field Assessment.

All forestry students are required to complete the Foundational Forestry Skills Assessment to satisfy milestone requirements on their **degree progress report** and must achieve passing marks at each level of this assessment before graduating with any forestry degree from the College of Natural Resources at the University of Wisconsin-Stevens Point. This two-part assessment occurs at two levels and is based on the accrued knowledge, skills, and abilities presented in the core forestry courses. Cumulative Core Courses include NRES 250, FOR 232, FOR 322, and FOR 332. Students currently enrolled in, or who have taken the core courses listed in the table below, qualify for the indicated level.

Assessment Level	Approximate Academic Year	Core Courses Added	Minimum Written Assessment Score	Field Assessment Score Minimum
Introductory	Sophomore	NRES 250 and FOR 232	70%	70%
Intermediate	Junior	FOR 322 and FOR 332	70%	75%

WRITTEN ASSESSMENT

NOV 18 THROUGH 5 PM DEC 6

DESCRIPTION: To pass the self-assessment written component, you must achieve at least a 70%, or greater, on the independent online assessment regardless of level. You have two attempts at the written assessment each semester. If you receive unsatisfactory marks in the evaluation, you are encouraged to study to improve your skills and repeat the evaluation in the next semester. This assessment of learning will be available on Canvas.

DATES: The written assessment will be open from **8 am November 18 through 5 pm December 6**. You may complete this online assessment at any point to work towards achieving the written portion at the respective milestone.

COURSE LEAD: Dr. Melinda Vokoun

FIELD ASSESSMENT

NOV 5, 12, 15, 19, 22, 26; DEC 3 & DEC 6

DESCRIPTION: The field component emphasizes the identification of 61 common trees and shrubs in central Wisconsin. You will be asked to identify 20 woody plants by common name. To successfully meet the passing criteria for the field component of the milestone, you need at least 70% (Introductory Level) or 75% (Intermediate Level).

DATES: You must register for a field assessment opportunity on Canvas. There are 10 total field assessment opportunities available on **Nov 5, 12, 15, 19, 22, 26; Dec 2 & Dec 6**. You should register for one field assessment appointment on Canvas. You are encouraged to study to improve your skills and repeat the evaluation at the next available time. The next available time may be the following semester.

FIELD INSTRUCTOR: Dr. Melinda Vokoun

To satisfy the milestone requirements, forestry students must achieve passing marks in **both** the written and field assessments within the allotted time to move on to the next level. Please visit the Canvas site for more information and instructions and reserve your field assessment time slot.

In cases you cannot attend any scheduled field assessment appointment time or have accommodation needs, contact the proctor (mvokoun@uwsp.edu) to schedule a time to complete the field assessment. You must have justification and have initiated the communication before 5 pm CDT, Nov 17, 2024.

CNR Student Success Center can HELP with...

- Advising and Scheduling
- Campus Involvement (clubs, organizations, research)
 - Graduation planning or checking existing plans
 - Exploring majors, minors, or certificates
 - Investigating Career Paths
 - SFE questions
 - Creating resumes and cover letters

Schedule meeting with Peer Mentors through Navigate or at our front desk (TNR190) or attend our walk-ins!
