CONGRATULATIONS UWSP Soil Judging Team!

UWSP took 22 students to compete in the 2024 Regional Soil Judging Contest hosted by Southern Illinois University in Carbondale, IL.

The team took 1st place overall and 1st place in group judging!

This is the 3rd ever 1st place finish for UWSP in the Regional Contest which has been going on since 1960!

“This team was by far the largest team (and most fun) team in the entire competition. UWSP brought 11 rookies! I am extremely proud of everyone and am honored to worked with these fine students learning about soils.” - Head Coach Dr. Scharenbroch

UWSP had 3 students in the top 10 as place winners:

Natalie Gruben (4th)

Lucas VandeWalle (5th)

Maya Desai (9th)

With this win UWSP qualified for its 8th consecutive National Soil Judging Contest! UWSP will not compete in 2025 contest because UWSP is hosting the National Soil Judging Contest in 2025!
