Hunter Howland

Year: Junior

Majors: Ecosystem Restoration
Management; Forest Management

Minor: Forest Ecology and Health

Certificates: Timber Marking; Fire Science

Involvement: Society of American
Foresters, Fire Crew, Society for Ecological
Restoration, Parks and Recreation
Association, Forestry Sports, research
involving emerald ash bore

Hunter has made incredible marks as a transfer student in the CNR. His ability to connect with people and share his passion for forestry is truly something to look towards when building an accepting community in the TNR. I would like to especially shout out his current efforts as president and as a member of UWSP's student chapter of SAF, where he has work diligently to create a central club for the forestry clubs at UWSP with a group always open to new members.

-CNR Student

Shout out to all the forestry clubs and the amazing work they all do for their fellow students
