**SUBMISSION DEADLINE IS FEBRUARY 28TH!**
Submit all photos with the subject line "2022 Photo Contest" to cnrurs@uwsp.edu
REMINDER - Remaining SFE Wader Try-On Dates (Required)

Planning on going to Treehaven or CWES (2-week SFE)? Included in your equipment pack is a pair of chest waders that you will receive (personal waders are not acceptable). Please come to a time listed below to verify the size indicated on your application correctly fits. We have a variety of sizes to try on. If you need a non standard size we will do our best to accommodate you. If you are unable to make one of the following times, please let Tim Sattler (715-346-4664 or CNR.Stockroom@uwsp.edu) know. If you choose not to come, you will receive the waders indicated by your shoe size on your SFE application. The waders you try on might not be the exact make/model you receive.

**TNR 157**

- Tuesday, February 15th: 3-4 PM
- Thursday, February 17th: 4-5 PM
- Friday, February 18th: 10 AM-Noon

Nominate Someone Today!

Is there someone in your classes who you feel deserves to be recognized for all of the hard work that they do? Is there a faculty or staff member that you would love to show your appreciation to? Do you know someone doing some cool research? All of these are reasons to nominate someone to be featured in the CNR Spotlight! We are very proud of our College of Natural Resources community and we want to celebrate our victories together. Make someone’s day by nominating them HERE.

Harrison Stasik

Harrison is a Wildlife Ecology and Management major, with minors in Captive Wildlife and Biology! He was nominated by Jeffrey Edwards to be featured for his hard work and involvement.

Harrison is very involved with student organizations on campus. He is president of Backcountry Hunters and Anglers, a co-leader for both the Felid project and the Deer project of The Wildlife Society, and the social media manager of the Animal Behavior club! When he isn’t in the CNR, Harrison can be found swimming on the UWSP Men’s Swim and Dive Team!

When asked about his favorite memory from his time here, Harrison remarked, “Honestly, I have had so many great memories while at Stevens Point (Traveling abroad to Costa Rica, collaring black bears, getting lost on a river at Treehaven, etc.) that it's too hard to choose! But there was always one constant with those memories, and it is the friends that I got to share them with. No matter what the memory was I am just glad that I got to meet some really cool people along the way and that I know they will be lifelong friends.”
Have something you want added to the CNR Reporter, want to submit a photo, or want to nominate someone for the CNR Spotlight? Please send all CNR Reporter submissions and photos to CNR.Reporter@uwsp.edu
