March 14-18, 2022

Advising & Registration Info

- Summer Registration begins today, March 14th!
- The timetable for Fall 2022 is available NOW!
  (Note: Some upper level Forestry and Water courses are not in there yet.)
- Last day to w-drop a class is April 8th.

Take a look at your DPR and plan out classes before meeting with your advisor! Advisors will send out advising emails at some point before

SFE Permissions

Are you attending Summer Field Experience this summer? Students who have been accepted into Sessions 1, 2, and 3 will be granted permission to register for SFE starting this week! An email will be sent when your permissions have been granted. Stop in to Walk-In-Wednesdays if you have questions!

Don’t forget to register for all 7 classes, using the correct section number, through Schedule Builder or AccessPoint Add Classes:

FOR 319, FOR 320, SOIL 359, SOIL 360,

Last Chance! Wader Try-on Day!

Tuesday, March 29th 3-7pm TNR 157

Treats in the CNR SSC!

(Coffee, Tea, Hot Chocolate, Treats)

Stop by TNR 122 for snacks and refreshments Tuesday-Friday!

Good luck on midterms and
Did you miss the Mid-State Technical College Police Academy Meeting?

- Watch the PA meeting with Dr. Pagel from MSTC HERE!
- Stop in the CNR SSC (TNR 122) to pick up an application if you do not have one!
  - Applications are due in the CNR SSC by March 30th.
- Contact Dr. Pagel with questions regarding Police Academy. See the application for his contact information.
- View this What to Expect at Police Academy PP if you want to hear from SLEA students on their experience!

Interested in a Conservation Law Enforcement (CLE) major? Here’s a helpful presentation by Dr. Mike Rader to learn more!

The Wisconsin Conservation Congress: Facilitating Public Participation

A seminar in:
“History, Successes, and Challenges in Natural Resources Decision-Making”
2022 CNR Spring Seminar Series

Featuring:
Tony Blattler
Chair
Wisconsin Conservation Congress

Wednesday, March 16, 2022
4 - 5 p.m.
170 Truax Natural Resources Building
UW-Stevens Point Campus
and YouTube live-stream!

“The Wisconsin Conservation Congress: Facilitating Public Involvement.”
Presented by Tony Blattler, Chair of the Wisconsin Conservation Congress.

This seminar is an excellent opportunity to learn more about the history, structure, and function of the Wisconsin Conservation Congress (WCC). Tony Blattler will share the mission and goals of the WCC and will discuss how it is involved in natural resources decision-making, and he will discuss how the WCC facilitates public involvement in the policy-setting process.

Tony Blattler served on the WCC starting in 2000, when he was elected as Portage County Delegate and served as a District Leader for District 6. After moving to Price County, he was elected as a Price County Delegate and currently serve as a District Leader for District 1. He has served on many WCC Advisory Committees, including Warm Water, Upland Game and Turkey, Rules and Resolutions, Strategic Planning, Strategic Implementation, and Outreach and Public Relations. He also Served as WCC representative on WDNR Northern Pike Committee and the WDNR Elk Committee. Tony currently serves on WCC DLC (District Leadership Council) for District 1 and on the Executive Committee as WCC Chairman since August 2020.

If you can’t join us live in person, join use via live-stream on the
Upcoming Workshops!

Sunday, March 13th 1-4 PM
How to Cook with Masa— instructed by John Sheffy of Liberation Farmers. This workshop will be a hands-on instruction and experience processing corn, making and tasting atoles, tamales and tortillas. Cost of the Workshop: $35, 20% off for Farmshed members.

Saturday, March 26th 1-3:30 PM
The Basics of Grafting— instructed by Polly Dalton of Rising Sands Organics and Upstream Cider. Participants will learn the different grafting techniques, the tools of grafting, and get some hands-on experience grafting their very own tree that they’ll be able to take home! Cost of the Workshop: $30, 20% off for Farmshed members.

Workshops will be held at Central Rivers Farmshed in Stevens Point

2022 Jim & Katie Krause CNR Student Research Symposium
