Preparing For Summer Field Experience

March 14  Summer course registration opens
May 1     Deadline to register for SFE classes
May 22    Session 1 begins
July 1    Session 1 ends. Waitlisted students may be contacted for session 2 or 3 up to a week before sessions 2 & 3 start
July 10   Sessions 2 and 3 begin
August 19 Sessions 2 and 3 end
The Cupboard, The Closet, and The Backpack

The goal of The Cupboard (food pantry), The Closet (clothing resources), and The Backpack (school supplies, hygiene items, home goods) is to provide items at no cost to students that help them meet basic needs and alleviate stress associated with inability to meet basic needs. We hope in doing so, students are better equipped to address their academic goals.

The Cupboard is staffed by student volunteers. A committee of dedicated volunteers organize food drives, raise awareness, and recruit volunteers. If you’d like to get involved, please email CASEcoc@uwsp.edu

The Tutoring-Learning Center (TLC)

The TLC staff help students in all majors by matching tutoring needs with a tutor interested in or studying the same discipline. The tutors do not provide answers but work as coaches helping you to help yourself. Check out their One-On-One, Group, and Drop-In tutoring options for STEM courses, the Writing Center, Academic Coaching, and more! Click here to view the TLC Website.

Rachael Valeria

This week’s CNR Spotlight is shining on Rachael Valeria! Rachel is a senior studying fisheries and aquatic sciences with a minor in biology. She is president of the UWSP Fisheries Society, and she works hard in the aquatic biomonitoting lab on campus.

Rachael’s favorite memories come from her time working on undergraduate research investigating the effects of differing riparian habitats on macroinvertebrate drift and brook trout diets in the Little Plover River. Through this project Rachael has developed a new appreciation of macroinvertebrates and a love for teaching topics she is passionate about to other students interested in fisheries.

Nominate Someone Today!

Is there someone in your classes who you feel deserves to be recognized for all of the hard work that they do? Is there a faculty or staff member that you would love to show your appreciation to? Do you know someone doing some cool research? All of these are reasons to nominate someone to be featured in the CNR Spotlight! We are very proud of our College of Natural Resources community and we want to celebrate our victories together. Make someone’s day by nominating them HERE.
CNR Crossword

conservation  environment  hydrology  fisheries
wildlife      waters      soils      management
education    resources   forestry    waste
Have something you want added to the CNR Reporter, want to submit a photo, or want to nominate someone for the CNR Spotlight? Please send all CNR Reporter submissions and photos to CNR.Reporter@uwsp.edu
