Financial Aid

- Federal and state financial aid may be applied to all OIE Study Abroad programs
- The UWSP Office of Financial Aid will revise your award to include study abroad expenses if you submit the [Study Abroad Revision Form](#) to them
- Requesting an award adjustment does not alter your Expected Family Contribution (EFC)

Health & Wellness Considerations

- This program includes physically demanding activities
- Dietetic preferences and requirements may be difficult to accommodate in some locations
- Be prepared to source prescribed medications in sufficient quantity for the entire trip...this may require advance planning with your healthcare provider

Reasonable Accommodations

- ADA compliant infrastructure not available in all locations
- OIE encourages disclosure of visible & invisible disabilities on our confidential health and safety form
- If you use accommodations, please coordinate a conversation with UWSP Disability Resource Center & OIE ... the goal here is to discuss accessibility considerations & supports available
