Theatre Arts – Musical Theatre

College of Letters and Science

School of Behavioral and Social Sciences

Undergraduate Majors:

Geography

Geoscience

Organizational Leadership

Political Science

Psychology

Psychology – Human Services

Social Work

Sociology

Associate of Arts and Science programs:

Human Services

College of Letters and Science

School of Biology, Chemistry, and Biochemistry

Graduate Degree Programs:

Applied Biotechnology

Undergraduate Majors:

Biochemistry

Biology/ Biology – Teaching

Chemistry

Natural Science - Teaching

School of Humanities and Global Studies

Undergraduate Majors:

Broadfield Social Science

English – Teaching

English Literature

English Writing, Editing and Publishing

French

German/German – Teaching

History/History – Teaching

History and Social Studies Education

International Studies

Philosophy

Spanish/Spanish – Teaching

School of Mathematics, Computing, Physics, and Astronomy

Graduate Programs:

Master of Science in Cybersecurity

Master of Science in Data Science

Master of Science in Information Technology Management

Undergraduate Majors:

Applied Computing

Computer Information Systems

Human – Technology Interaction

Mathematics/Mathematics – Teaching

Physics/Physics – Teaching

Web Development

Web and Digital Media Development

Associate of Arts and Science programs:

Information Sciences

Pre-Engineering

Associate Degrees

Undergraduate Majors:

Associate of Arts and Science - General

College of Natural Resources

Graduate Degree Programs:

Master of Natural Resources

Master of Science in Natural Resources

Undergraduate Programs:

Chemical Engineering

Conservation Law Enforcement

Fisheries and Water Resources

Forestry

Paper Science and Engineering

Resource Management

Soil and Waste Resources

Wildlife Ecology

Associate of Arts and Science programs:

Environmental Science and Management

College of Professional Studies

School of Business and Economics

Graduate Degree Programs:
