Online Grocers

- Customers want convenience
- Customers select items on-line
- Store pickers complete *all-in-one* process:
 1. find items on shelves,
 2. scan each item
 3. place items in bags
 4. load into customer's car
- Emphasis is placed on training employees communication skills and building relationships.
- Grocers can pick 800-900 orders a day
- Reduces shrinkage by 1.14%
