Alpine Delights
Sept. 14-Oct. 1, 2023

Explore some of the smaller villages and towns that may often go overlooked. You can ride in cable cars over spectacular views, enjoy great local food, and take your time in an open air museum. This trip will also provide multiple walking and low-impact hiking opportunities in the foothills of Austrian, German, and Italian Alps (cameras encouraged).

Did You Know?

- Ötzi the Iceman, who you will see on this trip, was found with 61 tattoos and holds the world record of the oldest tattooed person ever found.
- Merano Castel Trauttmansdorf hosts 83 garden landscapes plus 5,800 plant species and varieties.
- Due to houses growing in height as they were built, a church in Merano has 7 large steeple clocks!
Registration Information:

- $5,899 - double occupancy (per person)

*If you choose to book "my own room" (single supplement), $840 will be added to your total.

Winery Tour

October 14, 2022

Register by Oct. 13 at Noon

Join us on this one day wine tasting adventure! On this trip you will visit three different wineries: Drumlin Ridge Winery, Botham Vineyards and Winery, and Wollersheim Winery and Distillery. Experience tastings at all three locations and learn about the wine making process! We will even have a tour of Botham Vineyards and Winery led by the founder, winemaker, and wine grower, Peter Botham. We hope you will join us on this wine tasting experience!
Did You Know?

- Grapes are the most planted fruit in the world.
- "Toasting" originated in Rome, where people would drop toasted bread in their wine to absorb the bitter taste.
- Wine bottles that have animals on them are called "Critter Wine."

Registration Information:

- $135 per LIFE Member
- $135 per Veteran
- $155 per Public Attendee
