General information

Information booth

There will be a UWSP staffed information booth in the main hallway of the Marshfield Clinic Health System Champions Hall. Please visit the booth for any questions or issues throughout the course of the event.

Guest wireless network

"UWSP_Unsecure_Guest" is UWSP's guest wireless network available in all academic and administrative buildings. To use this network, open the Wi-Fi network settings on your device and select "UWSP_Unsecure_Guest". Once connected, a web page will automatically open and prompt for an email address (Hint: If a web page does not open, make sure your browser is not blocking it from "popping-up"). After entering your email address, tap "Submit" to finish connecting to the guest network.

Shuttle to Schmeckle Visitor Center

We will have two shuttles doing round-trip pick-up and drop-offs at UWSP Lot E near the Daniel O. Trainer Natural Resources Building (TNR) to the Schmeckle Visitor Center.

Times: 10 a.m., 11 a.m., 11:30 a.m., Noon, 12:30 p.m., 1 p.m., 2 p.m., 2:30 p.m. and 3:30 p.m.

Selfie station

Location: Main hallway in the Marshfield Clinic Health System Champions Hall. Come take a selfie or group photo with your team in front of our backdrop! Feel free to use our props and lab coats, just be sure to leave the items when you're finished.

Campus locations to check out!

Edna Carlsten Art Gallery

Location: Second floor of the Noel Fine Arts Center

Hours: 9 a.m. - 4 p.m. (Friday)

10 a.m. - 4 p.m. (Saturday)

The Edna Carlsten Art Gallery is currently displaying the Annual Juried Student Exhibition: Reemergence. This body of work was created by the students in the School of Design and Communication and was juried by Susan Messer. The exhibition contains work in all mediums including painting, drawing, photography and sculpture.

Foucault Pendulum

Location: First floor of the Science Building in the A/B wing.

The pendulum tells time based on the Earth's gravitational pull.

Mosaic Mural

Location: The outer south wall of the Daniel O. Trainer Natural Resources Building (TNR)

A UWSP art professor designed the mural, the largest of its kind in the country. It contains 286,200 different tiles and is roughly half the size of a football field. The project began in 1972 and concluded in 1982. It is entitled, in the words of our nation's motto, "E Pluribus Unum" - "From Many, One." The photos composed in the mural represent the four colleges at the university, the university insignia, as well as our state fish, flower and bird. In the center, there is also a map of the Wisconsin River system.

Museum of Natural History

Location: Albertson Hall (University Library)

Hours: 7:45 a.m. - 9 p.m. (Friday)

9 a.m. - 9 p.m. (Saturday)

Gift shop hours: 9 a.m. - 5 p.m.

Visit the Museum of Natural History to see our exhibits, augmented reality sandbox and our fish tank full of piranhas!

The natural history exhibits are supported by 25,000 square feet of collections storage and research space containing over 400,000 specimens from ten scientific disciplines. Our permanent exhibits consist of a series of large biologic dioramas depicting environments from around North America, as well as Africa.

Schmeckle Reserve— Take a hike!

Location: You can enter the reserve from Maria Drive on the north end of campus, about a 10 min. walk from Chemistry Biology Building (CBB) or MCCH.

Trail Hours: Sunrise-Sunset

Schmeckle Reserve is a 280 acre conservancy on the campus of UW-Stevens Point, set aside to protect natural communities of central Wisconsin. It is open to the public and serves as a picturesque gathering place for the community and university. Explore five miles of trails and boardwalks, a 24-acre lake and a large diversity of habitats that support numerous wildlife species. The reserve is managed by the College of Natural Resources to protect and restore ecosystems, serve as an outdoor classroom for learning and provide outdoor recreation opportunities.

Schmeckle Visitor Center

Location: 2419 North Point Drive, Stevens Point

Hours: 9 a.m. - 4 p.m. (Friday)

10 a.m. - 4 p.m. (Saturday)

Buses are welcome to park in the gravel, overflow lot east of the main parking lot as room allows. Schmeckle Visitor Center includes: gift shop, information desk, live animal exhibits, Conservation History Museum with hands-on exhibits, Wisconsin Conservation Hall of Fame, bird viewing area and picnic area and amphitheater.

Sundial/Specht Memorial Forum

Location: Between the Noel Fine Arts Center and Albertson Hall

The sundial is home to outdoor events and gatherings. Moses Creek runs beneath it to the river. If you stand on the storm grate and face north, your body's shadow will tell the time of day to the closest hour.

Tropical Conservatory

Location: First floor of Chemistry Biology Building
The Tropical Conservatory contains 500 species of plants from around the world.

University Store

Location: First floor of Dreyfus University Center

Hours: 9 a.m. - 4 p.m. (Friday)

Pick up UWSP apparel, school supplies and more!

Vivarium

Location: First floor of the TNR Building
Entirely student-run by the Herpetology Society, the vivarium houses several species of reptiles, amphibians, and plants including the famously over dramatic turtle named Mango who knows how to flip herself over to get the attention of her handlers.

Parking

Parking is free.
