Approximate number of hours per week: 45	Wage (if paid): 16.90/hr
<p>Description (include age/grade levels, any specific subject areas, specific dates):</p> <p>Hi! We are looking for a summer caregiver for our daughter, Serenity. She is turning 15 in a few weeks and is on the spectrum. She is independent in dressing, feeding herself, toileting (for the most part, occasionally needs a bit of assistance). While she is considered non-conversational, she does use 3-4 word phrases to get her point across very well. She is happiest playing with her toys, watching her favorite shows, looking at books, and spending time in our pool. She does well out in public too!</p> <p>She is generally a super easy going gal who just loves hanging out. We also have 3 dogs and 3 cats (2 are sphynx) so must be comfortable around pets. 😊</p> <p>We are looking for someone to ideally come to our home about 20 min away from campus for the following hours: Monday-Tuesday 7:30-5:00 Wednesday (can be flexible hours) Thursday 7:30-5:00 Friday 7:00-3:30</p> <p>Position is paid through the County and checks are generated for the prior month worked (around the 15th of the following month)</p>
