It is free and open to the community. We usually have between 600-800 attendees. It is Halloween themed, and every area of our building has different activities (i.e., bounce houses, mazes, face painting, glow rooms, etc) set up for families and different age groups.  As an event volunteer, you will engage with the children and assist with the activities.  Please reach out if you are interested in volunteering or if you have any questions.
