Position: Summer Babysitter / Nanny

Location: Kronenwetter, WI

Schedule: Monday–Friday, approximately **8:00 AM–4:30 PM**, with flexibility

Dates: June through August (flexible for the right person; willing to work with planned time off)

About Our Family

We're looking for a **kind, patient, engaging** summer babysitter for our three boys, ages **12, 9, and 5**. They're energetic, creative, funny, and curious — and like many kids, they sometimes have **big feelings or occasional challenging behaviors**. We're looking for someone who can stay calm, supportive, and consistent.

One child has a brain tumor, but he has no special medical care needs and it does not impact day-to-day activities. We simply want someone who is comfortable caring for a family with this reality.

We also have a **friendly Bernedoodle** who loves attention and will need to be let outside during the day.

What the Summer Looks Like

We love giving our boys an active, memorable summer! You would have access to:

- Local **pools, parks, and playgrounds**
- **Children's museums, libraries, movies**, and more
- **Greenwood Country Club** (pool, driving range, etc.)
- Occasional outings like **Briq's ice cream** or kid-friendly lunches encouraged
- All admissions, treats, gas, and activity costs are **paid in advance or reimbursed**

Your day may include swimming, outdoor play, crafts, board games, reading time, or small adventures around the community. We also really value sitters who can help keep the kids off screens and engaged in real activities.
