

Means of Egress Guidelines

- Means of egress must remain unobstructed. No storage is allowed in corridors, hallways, entryways, exits, exit discharge, stairwells or other egress route (unless otherwise designed and/or authorized for such storage). A cluttered hallway could impede emergency evacuation.
- Keeping these areas clear is a Legal Requirement!
- Do your part!

Illegal storage in front of an exit, obstructing egress.

KEEP MEANS OF EGRESS CLEAR
FOR THE SAFETY OF ALL.
