THE UWSP FACILITY SERVICES NEWSLETTER

SEPTEMBER, 2017

Members of the Facility Services Maintenance Work Unit have been working hard on a brand new press box behind the university softball diamond. The from-scratch stick building looks fantastic and will surely serve McCarty Memorial Field for many years to come.

The field is named for Diane McCarty, who pitched two seasons for the Pointers and was killed in a car accident following the 1984 season.

Labor Day is the most well known holiday in September. It is observed every year on the first Monday in September.

Native American Day is always celebrated on the 4th Friday of September.

Grandparent's Day is observed in the United States on the first Sunday after Labor Day.

In the northern hemisphere, the Autumn Equinox occurs and fall begins. In 2017, this takes place on Friday, September 22nd.

Q: Why do fish always go for the worm?

Because they get hooked on them!

Q: Why should you never blame a dolphin for doing anything wrong?

Because they never do it on porpoise!

Q: Do fish go on vacation?

No, because they're always in school!
