THE UWSP FACILITY SERVICES NEWSLETTER

JULY, 2018

Members of Facility Services have been busy coordinating and performing office moves from the Trainer Natural Resources, Collins Classroom Center and the Science buildings into the new Chemistry / Biology building this summer, as well as lending a hand getting large pieces of equipment to the new building.

INDEPENDANCE DAY
HOLIDAY

Celebrate safely and enjoy
the Holiday!

When you see her, please thank Darcy Loomis for her years of dedication to T.E.A.M.. Darcy has been invaluable to our organization and has served all of Facility Services as a very dedicated T.E.A.M. Coordinator. Darcy will be helping Vicki Meronk transition into the role of T.E.A.M. Coordinator.

Thank you Darcy for all of your hard work and thank you Vicki for volunteering to take over the Coordinator role!

When is the next time we'll get an automatic 3-day weekend to celebrate Independence Day?

The next time you'll get an automatic 3-day weekend from your employer for Independence Day is 2022, when July 4th is on a Monday.

After that, it's a long wait until 2025, when the holiday happens on a Friday.
