## Employee Profile

Hi my name is Cheryl Mueller. I have worked as an Academic Custodian since October 15th 2007. Recently I have become a Lead Custodian. My favorite things to do are, watch the Green Bay Packers and travel. My favorite movie is "Tommy Boy". The most interesting places I have been are Europe, Norway and Mexico. If I won a million dollars I would take my daughters on a loooooong vacation to a tropical island.

The Nov. Chili Feed was a great success. A good time was had by all! We donated \$33.00 and many food items to the Student Food Pantry.

Thanks to everyone who came and donated.

## Jeff Koziczowski words of wisdom.

Facility Services is a crucial part of UWSP. Our daily devotion to maintaining order, repairs, skills and cleanliness on campus should not go unnoticed or unappreciated.
