ANNIVERSARY AT UWSP IN
DECEMBER

JOE PIENKA

Custodian
10 years of service

THANK YOU
FOR YOUR SERVICE JOE!

During the final weeks of October and the first week of November, the Facility Services Maintenance Work Unit erected a brand new bicycle shelter near the DUC.

Approximately 10 feet by 35 feet of existing concrete sidewalk was saw-cut and removed with the assistance of the Grounds Work Unit. Three new concrete piers were dug 4.5 feet into the soil and formed using plywood. The plywood forms were coated with bio-degradable form oil for ease of stripping and rebar cages were fabricated, welded and installed prior to the new concrete pour. Concrete piers were poured and anchor bolts were set. Pier forms were stripped and sidewalks were graded and compacted in anticipation of the sidewalk concrete pour. 4.5 yards of concrete sidewalk were then poured and finished. The new prefabricated bike shelter was erected and new bike stanchions were installed.

Members of Facility Services enjoyed great food and great company during the T.E.A.M. sponsored **5th Annual Chili & Soup Feed** on November 10th at the M&M Building. Check out some images from the event to the right!

CHILI & SOUP FEED

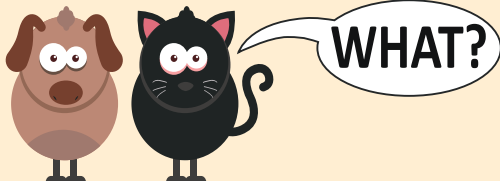

It's time once again to put your detective skills to work and guess where the picture above was taken! One winner will be picked from all correct answers to win a free soda, water or snack from **T.E.A.M.**!

Send your guesses to jkluck@uwsp.edu and good luck!

Clue: All images are taken on the UWSP campus.

Did You Know...

There is the idea that at midnight on Christmas Eve animals have the power of speech? This superstition exists in various parts of Europe.

T.E.A.M. members Shelley Auer, Doreen Peltier and Darcy Loomis drop off donations recently collected for 'The Cupboard' on Wednesday, November 16th on behalf of all of Facility Services. Facility Services members donated an incredible 237.7 lbs. of food and \$15.00 cash.

'The Cupboard' has asked me to convey their deep gratitude for your kind donations towards their cause. Many students encounter short-term financial emergencies and find themselves choosing between buying food and paying other bills. The Cupboard was created to help students meet their basic needs so that they can focus on succeeding in school.

"That is an incredible amount of food that will highly benefit students here on campus! Thank you for your donation!"
- The Cupboard.
