## UWSP • FACILITY SERVICES ANNIVERSARIES

Congratulations to the following  
employee, celebrating an  
Anniversary with Facility Services!

### TERRY MOLDER

January 2021  
20 years of service

# Facility Services Anniversaries

Back in early 2020 when the World Health Organization (WHO) announced that a mysterious coronavirus-related pneumonia began to show up, not many could have predicted the impact that Covid-19 would have on the United States and the University of Wisconsin-Stevens Point. A good deal of day-to-day campus life has changed since then, including the cancellation of many T.E.A.M. functions, which in turn prompted a lack of "Fresh Thoughts" editions.

It is only fitting that we look back and honor all those who celebrated an anniversary throughout the 2020 calendar year. Thank you for your constant dedication to this University and Facility Services.

Please see this list on Page 2 of this edition.

## **2020 FACILITY SERVICES ANNIVERSARIES**
