# Employee Profile

Hi, My name is Doreen Peltier and I was born in Lions Nebraska, but I was raised in Stevens Point. I've been working at UWSP for 5 years in Facility Services, Custodial. My favorite hobby is cleaning, and making my own Christmas decorations. My favorite magazine is Country Living and a fried chicken dinner is my favorite meal. If I won a million dollars I would like to help send a student to college. The most interesting place that I've been is right here at UWSP. I have learned a lot about people and different buildings on campus.
