Employee Profile; Joyce Sopa

Joyce has worked in Academic Custodial for about 7 years and Stevens Point is her hometown. Her favorite hobby is swimming, her favorite book is any one written by Jodi Picoult and her favorite food is bananas. If she won a million dollars she would give generously to others. The most interesting place she has been is her own neighborhood. In her bucket list is volunteering at the Humane Society...which she will be able to pursue, since she will be retiring at the end of May!!

We voted for new TEAM members

Congratulations!

Way to go

and Chris Jr.!!

Penny for your thoughts.....

TEAM is considering adopting a highway. We would like your input, is this a good idea? Would you be willing to help clean up a road or highway in our area?
