THE UWSP FACILITY SERVICES NEWSLETTER

NOVEMBER, 2019

Congratulations to Facility Services Painter, Todd Nord and his 1967 Chevrolet Camaro RS/SS clone for being named the Camaro of the Month for October 2019 by TorqueNews.com and the Camaro's Unlimited Facebook Group.

According to Todd, "I always liked the SS stripes with the rear spoiler but the car, it just so happened to be a 67" not correct, but hey, I did it my way and I made it here."

"A gentleman was cleaning out his machine shed on his farm and I spotted it driving by, it wasn't even for sale. I saw the RS grill and had to have it. We settled on \$2500.00, cash and I trailered it home."

"I restored every inch of my car myself, bumper to bumper. It was basically a "flintstone" car, a mess. A lot of new sheet metal, all new interior, all new everything basically. I built a fresh motor, a 355 sbc with a automatic TH400 with a 8.5 GM rearend. It took me 2 1/2 years to complete it."

HEY, IT'S SNO' JOKE!

What is it called when a snowman has a temper tantrum?

A meltdown!

What did the snowman and his wife put over their baby's crib?

A snowmobile!

How do you find Will Smith in the snow?

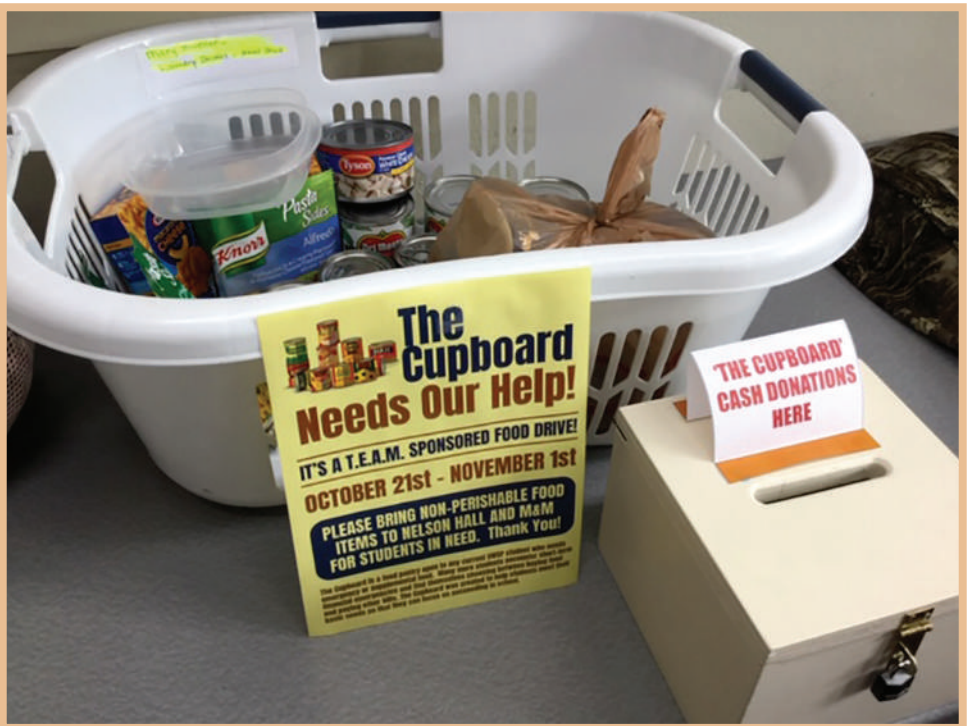

You look for Fresh Prints!

What do snowmen eat for breakfast?

Frosted Flakes!

Where does a snowman keep his money?

In the snow bank!

T.E.A.M. recently accepted donations of food and/or cash to benefit "The Cupboard" in M&M and Nelson Hall. The Cupboard is a food pantry open to any current UWSP student who needs emergency or supplemental food.

The Cupboard is staffed by student volunteers. A committee of dedicated volunteers organize food drives, raise awareness, and recruit volunteers. T.E.A.M. has been involved with helping The Cupboard since its inception. If you donated, THANK YOU! More details on the recent drive to come!
