About WASFAA
WASFAA is a non-profit organization that provides support to financial aid administrators and other agencies involved in the administration of financial aid programs in Wisconsin’s post-secondary educational institutions. It is comprised of over 400 members representing over 100 institutions (colleges, agencies, and lending institutions) throughout the state.

WASFAA also provides professional development opportunities to financial aid administrators, high school counselors, and office professional staff.

Disclaimer: Entrants must own full copyright to the design submitted, which they must be able to certify if requested. By submitting their entry to this contest, all entrants hereby acknowledge and affirm that if selected as the winning entry the Wisconsin Association of Student Financial Aid Administrators will have unlimited right to use of display their artwork for this competition at any time and in any manner. Uses may include but are not limited to, print or electronic publications, promotional brochures, posters, or other communication materials.
