To: Wisconsin Educational Institutions  
From: Wisconsin Laboratory Association (WLA) Scholarship Committee  
Re: WLA 2023 Scholarships

The Wisconsin Laboratory Association is offering ONE $1,000.00 scholarship for 2023. To be considered, students must meet the following requirements:

1. All applicants must be one of the following at an accredited college or university having completed at least 1 semester of classes:
   - A. Technical Student
   - B. Undergraduate University Student
   - C. Graduate Student

2. All applicants must be enrolled in a curriculum that will enable them to pursue a career in a non-medical laboratory related field and have a 3.0 or higher Grade Point Average. (ex: cannot be pre-medicine, pre-veterinary, nursing, etc.)

3. All applicants MUST submit the following three pieces of information to the Scholarship Committee to be considered:
   - A. A completed WLA application form.
   - B. A current transcript from the school the student is presently attending.
   - C. Two letters of recommendation from the student's instructors.

The deadline for submitting COMPLETED applications and supporting documentation is March 31, 2023.

Please make this information accessible to any interested students (feel free to photocopy the information).

Please contact us if you require any further information or assistance. Applications are also available on the WLA website at: www.wisconsinlabassociation.org.
