County**

*A Campus of the University of Wisconsin Colleges*

***Summer 2011***

***The UWMC Library is open throughout summer!  
Check our doors for hours!***

***Summer Fun  
Library  
Trivia!***

The library recently added the book *Mashed Up: Music, Technology, and the Rise of Configurable Culture* to its collection. Can you name the musicians mashed up on the cover? If anyone can name the two that we're not sure about (indicated with a blue star), you get a prize! :)

*Restroom Readers* can be accessed electronically online through the UWMC Library's homepage.
