

UW-Marathon County Library Restroom Reader

mth-reference@uwc.edu

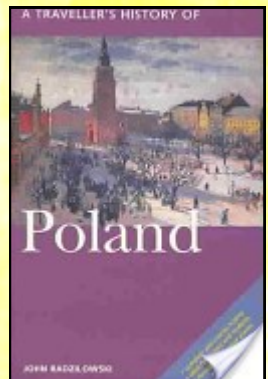

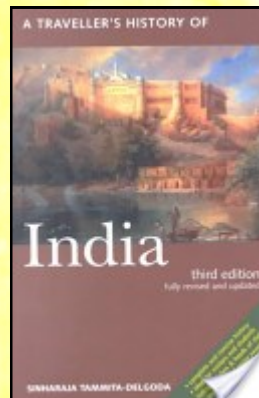

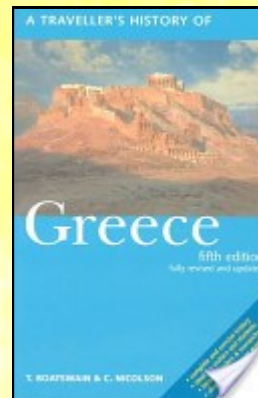

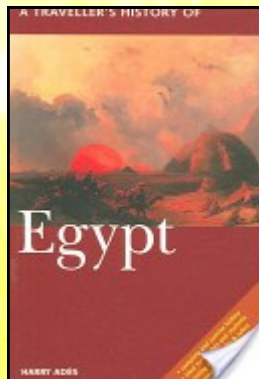

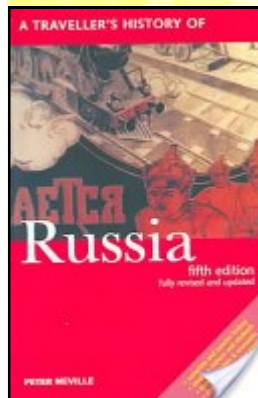

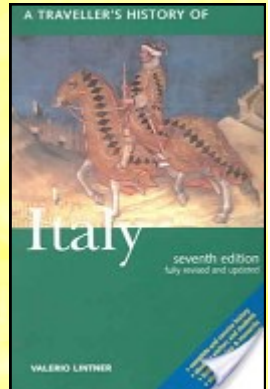

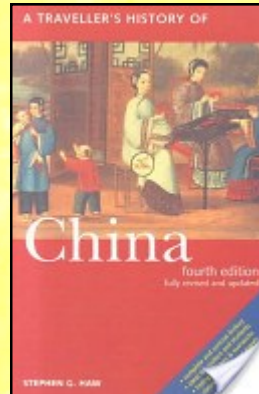

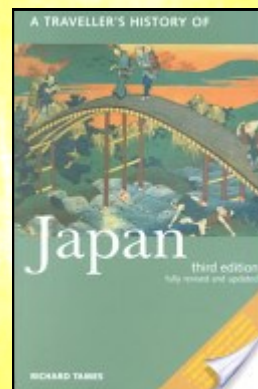

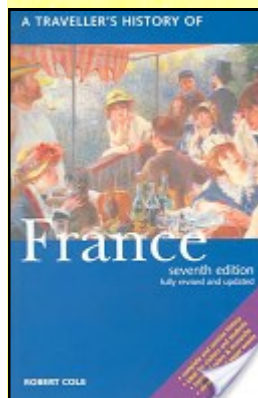

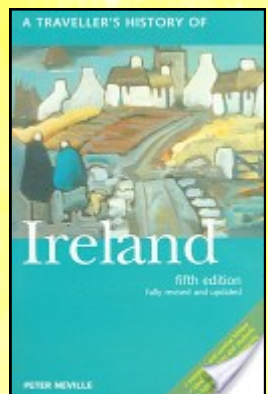

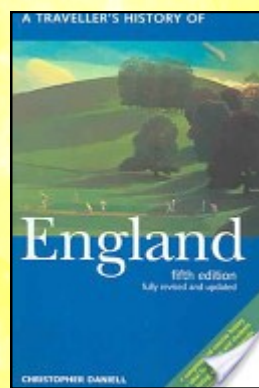

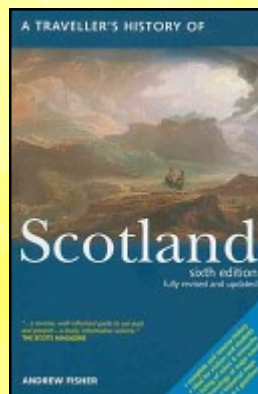

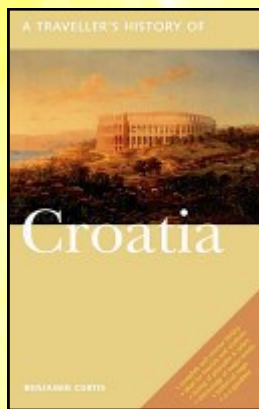

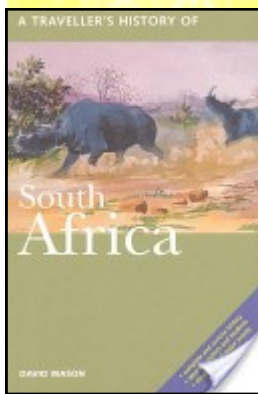

A Campus of the University of Wisconsin Colleges

Summer 2013

Doing any traveling over summer? If so, see if the library has a Traveller's guide on that country. If not, you can still read about dozen's of countries and experience the history and culture in your imagination. Below are some of the books we own in the Treveller's History series.

Restroom Readers can be accessed electronically online through the UWMC Library's homepage.
